The following terms & conditions apply to all Wolfie appearances:

POLICIES FOR WOLFIE APPEARANCES
• Stony Brook Athletics reserves the right to refuse any appearance request. Submitting a request does NOT guarantee Wolfie can attend the event.
• Because of time demands on our students, we cannot guarantee that each requested appearance will be filled – especially on game day. Priority is given to class schedules and Athletic-related responsibilities.
• General public appearances or personal requests are limited to 1 hour. Any appearance over this designated time will need special approval from Stony Brook Athletics.
• A private & lockable place for Wolfie to change and store his personal belongings must be provided. (No public changing rooms)
• It must be understood that Wolfie’s maximum time in the suit is 30 minutes (out of an hour) for an appearance and less than that in excessive heat and humidity.
• Requestor must provide drinking water for Wolfie during the appearance.
• The Wolfie suit (costume) is the property of Stony Brook Athletics and is not rented or loaned to the general public under any circumstances. The Wolfie Mascot Team consists of students who attended the official Wolfie Team Tryouts and the best are accepted to the team.
